BOLLORÉ LOGISTICS, A GLOBAL LEADER IN INTERNATIONAL TRANSPORT & LOGISTICS

In order to support its customers in the conquest of international markets, Bolloré Logistics has created global and sustainable solutions that are innovative in design and flexible in execution, built around five services:

- Multimodal Transport
- Customs and Regulatory Compliance
- Logistics
- Global Supply Chain
- Industrial Projects

Our operational excellence is primarily based on our teams, expertise, proactivity and our engagement in continuous improvement.

They are supported by a value-added integrated information system which affords complete visibility and control throughout the entire supply chain.
